

Viking Union SMOKING POLICY

It is the responsibility of the Viking Union/Associated Students to enforce the laws of the State and provide for the comfort of its users, while maintaining their right to freedom of expression. To that end, this smoking policy has been established.

A. DESIGNATION OF SPACES

1. In accordance with the University's Smoking Policy, smoking will be allowed only in designated exterior areas (signed ash receptacles). Members of the University community are asked to not smoke within ten (10) feet of the entrances to the building, near openable windows, air circulation intakes, the High Street exit from the MultiPurpose Room and Vendor's Row.
2. Designated exterior smoking areas are signed and an ash receptacle provided.

B. COMPLIANCE

1. Viking Union and University Food Service personnel have the right to request that cigarettes, cigars, and pipes be extinguished, or that the person leave the premises.
2. Chewing tobacco must be disposed of properly. Violators may be asked to leave the premises.
